Dear Mr. Hagerty,

The College of Engineering cordially invites you to attend the 2014 Recognition of Academic Honors and Achievements Ceremony scheduled for Saturday, May 10th. The ceremony will be held in Mitchell Hall auditorium at 11:00 a.m. and is expected to conclude at 12:30 p.m.

We are pleased to recognize the 2014 recipients of the **Hagerty Environmental Awards:**
Jenn Fang Su, Hagerty Environmental Graduate Award
Anna M. Wagner, Hagerty Environmental Undergraduate Award

We will follow the same award presentation format used in previous years. Each recipient will be called to the stage only once to be recognized by the Department Chair for all of his or her awards. While it is not feasible to have the award donors or their representatives come to the podium, prior to the presentation of the awards, they will be recognized and asked to stand in the audience.

To ensure that we acknowledge your presence appropriately, please respond via email to Mrs. Terrie Kalesse (terrie@udel.edu) or by telephone (302) 831-8659, by close of business on Thursday, May 8th. When responding please provide your full name as well as the names of those planning to attend with you. If you are unable to attend, please feel free to send a representative.

I thank you for your continued support and look forward to seeing you on Saturday, May 10th.

Sincerely,

Babatunde A. Ogunnaike
William L. Friend Chair of Chemical Engineering
Dean, College of Engineering
